October 2, 2020
3:00p.m.- 6:00p.m.

San Jose City College — Milpitas Extension
1450 Escuela Pkwy., Milpitas, CA 95035
Dear Friends:

This year has been challenging to say the least, and it is such an honor to be serving you as your California State Assemblymember through these difficult times. Throughout all the unfortunate events, it has been inspiring and heartwarming to witness members in our community work together to help those in need. Although this will be the last year I am hosting a Community Hero Awards Ceremony as your Assemblymember, it will not be the last. I will continue hosting it as long as I am in public service.

My annual Community Hero Awards Ceremony is an event that I look forward to hosting every year. This tradition started since my days as a San Jose Councilmember to honor members in our community who has dedicated their time, efforts, and personal finances to make our district a better place to live, learn, work, and retire. These heroes were nominated and picked by the people living in our community for their acts of kindness.

While we cannot celebrate in the same tradition as previous years, I did not want to miss the opportunity to recognize these local heroes. Thank you to the heroes for your work in the community; you are making positive impacts while serving as a good model for our community. Thank you to those who nominated the heroes; without you, I would not have the opportunity to honor these great individuals.

I hope everyone will help me celebrate and honor these local heroes of ours who have went out of their way to help their neighbors, friends, and even people they do not know. These heroes are the pillars in our community, and I am proud to represent a district with such wonderful, kind, and compassionate people.

Sincerely,

KANSEN CHU
Assemblymember, 25th AD

THANK YOU FOR YOUR SUPPORT!

This year is the final year where I will have the privilege to serve as your representative in the California State Assembly. You, my constituents, are the reason I am in office and able to do good for our community and the State of California.

I was honored to serve as the Chair of the Assembly Human Services Committee and Assembly Arts, Entertainment, Sports, Tourism, and Internet Media Committee. I started and chaired the Assembly Select Committee on Hate Crimes. I also served on the Assembly Transportation; Water, Parks, and Wildlife; Revenue and Taxation; and Jobs, Economic Development, and the Economy Committees.

Over the past six years, 29 of my bills were signed into law, and I was able to secure more than $60 million to support training and recruitment of mental health professionals, fight against car break-ins and property theft, senior services, arts education, and emergency preparedness. Legislation that I’ve passed increase schoolbus safety, expand access to mental health services, secure more funding for public transportation, improve the state’s recycling efforts, expand access to clean drinking water for disadvantaged communities, protect domestic abuse survivors, prevent abuse of minors in the workplace, and move the state away from the outdated practice of switching the clock twice a year.

I also chaired the Assembly Select Committee on Hate Crimes. Through my work as Chair, the committee successfully requested an audit of police departments statewide and found issues related to accurate reporting and prosecution of hate crimes. Because of our collective efforts, I am proud to report that we have already seen changes, such as some local law enforcement agencies using supplemental reporting to improve information gathering for the prosecution of hate crimes. Additionally, the California Department of Justice launched a Hate Crimes Prevention webpage where the public can go to find out more information on identifying and reporting hate crimes; updated the protocol for the Attorney’s General Hate Crime Rapid Response Team; created a hate crimes brochure, which is available in various languages; and released several information bulletins on hate crimes laws and local law enforcement training. The Commission on Peace Officer Standards and Training also worked with various experts and stakeholders to create a hate crimes model policy framework, which is intended to assist law enforcement agencies in proper identification, investigation, and reporting of crimes motivated by hate or bias, along with the development and delivery of training.

The accomplishments listed above could not have been possible without your trust and support, which I will always cherish. While this will be my last year as your Assemblymember, I am looking forward to serving you in the future in a different capacity. Once again, thank you for allowing me to serve you and be your voice in Sacramento.

Sincerely,

KANSEN CHU
Assemblymember, 25th AD
Assemblymember Kansen Chu has represented California’s 25th Assembly District, which includes the cities of Fremont, Newark, Milpitas, San Jose, and Santa Clara, since 2015.

Born in Taiwan, Chu moved to the United States in 1976. He has a Master's degree in Electrical Engineering from Cal State Northridge, and worked at IBM for 18 years. He also owned and operated Ocean Harbor Chinese Restaurant for 16 years.

In 2002, Chu was elected to the Berryessa Union School Board. As a Board Member, he worked to bolster public education materials, strengthen curriculum and improve public access to school board meetings.

Chu served on the San Jose City Council starting in June of 2007, making public health and the environment top priorities.

Chu and his wife Daisy have been married for 44 years. They have two children, Ann and Walt, a son-in-law Steve, and two grandchildren, Kimberly and Connor.
